BUSINESS OVERVIEW

WHO WE ARE & REFERENCES

Mission & Vision

Rhino's Mission:

We provide innovative healthcare solutions while championing inclusivity and diversity, ensuring equitable access to quality healthcare products and services. We believe fostering strong partnerships, embracing cultural diversity, and empowering underrepresented voices, we believe the result is a healthier future for everyone

Our Vision:

To be the leading nationally certified minority-owned healthcare supplier, driving transformative change and fostering health equity. We are setting new standards in supplier diversity as we become the preferred partner to those tasked with improving the lives in the communities they serve

BUSINESS OVERVIEW

RHINO AT A GLANCE

Business Description

- Rhino is a medical supply company, distributor and manufacturer
- Certified Minority Business Enterprise (MBE) via NMSDC
- Tier 1 diverse supplier with direct distribution capabilities for our brand Ceros from our fulfillment center in Columbia, SC
- Tier 1 diverse distributor with 700+ Manufacturing partnerships and 60,000+ products available
- Tier 2 diverse supplier through distribution relationships with Medline and Concordance
- We work with IDNs, hospitals, surgery centers, urgent cares, emergency departments, and post-acute facilities
- VIZIENT Authorized Distributor
- Well-balanced and diversified portfolio of manufacturers and robust fulfillment capabilities to support our customers
- FDA Registration: 3017509841

Customers

Affiliations

BUSINESS OVERVIEW

DISTRIBUTION CENTER

Tier 1 Diverse Supplier Distribution

- Warehousing and Direct Distribution
- Primary Logistic & Freight Carriers:
 - 
 - 
 - 
- One day ship for SC, NC, & GA customers for stocked items
- Local Delivery Capability with a fleet of Ford Transit vans
- Robust Inventory & Fulfillment Systems
- Exploring facility expansion: 50,000 – 100,000 sq ft warehouse space

Technologies & Capabilities

- Develop a customer specific dashboard that can be visible by supply chain personnel
- Ability to batch download freight orders
- Personnel can search and sort all past and current loads with a customer reference number
- Customize & program each destination to focus on the accessorial requirements (liftgate, inside delivery, appointment)
- Each destination receives In-Transit Tracking emails
- Customizable reporting functions
- Customer Service support staff

BUSINESS OVERVIEW

TIER 2 VENDOR RELATIONSHIPS

Tier 2 Vendor Relationships

- Rhino has partnered with Medline, Concordance Healthcare Solutions, and NDC to distribute our Ceros brand of products throughout their various networks
- Concordance Healthcare will have our complete list of products available for their network
- Medline will warehouse and distribute the specific products that are contracted between a Medline partnered hospital system and Rhino Medical Supply. Once the contract is completed, Medline will request stock, distribute through typical ordering procedures, deliver with all combined purchases and then provide analytics to both parties to ensure contract compliance
- NDC is building out a distribution plan with Rhino Medical Supply to warehouse and distribute Ceros products to hospitals that have self distribution and warehousing capabilities

Vendors

BUSINESS OVERVIEW

A FEW OF OUR MANUFACTURER RELATIONSHIPS

Designed for Performance

The full line of **ceros™** products are designed for safety and performance... brought to life with leading technology and testing to ensure the highest quality product for clinicians and patients.

Syringes Flush Syringes Needles Nitrile Gloves Blood Collection Vascular Access Enteral Care Diabetes Care

Manufacturing

High-quality requirements, persistent innovation and intelligent & custom-made manufacturing capabilities are unmatched

Quality

- ✓ Quality system certified
- ✓ Sterilization certified
- ✓ FDA cleared 510K products: +20
- ✓ ISO Certifications and CE Marks

Scale

1.8 million sq ft manufacturing facilities
5x capacity by 2025
6 - 7 New FDA 510k annually

ceros™ Syringes & Needles
